

FRONT COVER: Design the front cover of your yearbook. Include the title of the story, the school year dates, and art that expresses something important to the characters from the story!

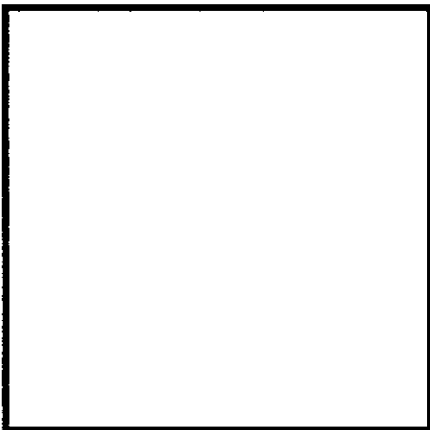

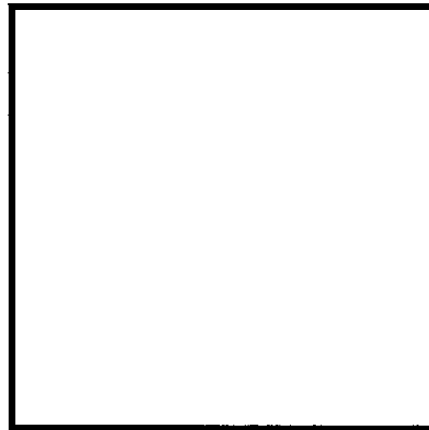

GRADUATING CLASS: Design graduation pictures of each of the important characters in the story. Beneath their pictures, pick an important quote from the story that highlights each character's personality.

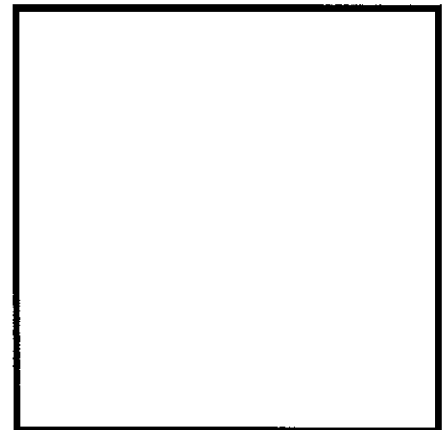

MEMORIES: Include memories for each character that highlights who they are, what is important to them, who their friends are, the most important events in the story, etc. Be creative, and have fun!
